worldwide

We are cherry...

chilean dried sweet cherries

Come and Live the cherry experience!

Contains **anthocyanin**, which helps control diabetes by reducing insulin resistance and glucose intolerance

Contains **melatonin**, which works as a sleep aid and pain management.

Natural source of **antioxidants** that helps prevent cardiovascular diseases, promoting heart health.

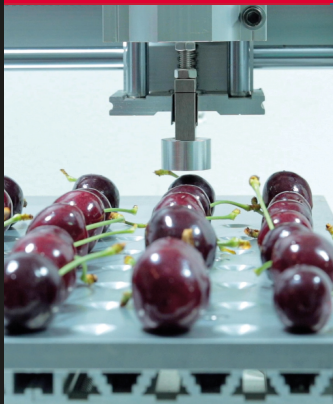

Helps in preventing and healing from various **cancers**. Also, a powerful and natural **anti-inflammatory**

We work with transparency, commitment, and responsibility aiming to innovate and be sustainable.

We have **Free Trade Agreements (FTAs)** with major markets, paying **mostly 0% tariffs**.

Chile is a respected country in terms of agriculture, food quality, food safety, and trade relations.

Embrace red, taste our legacy, meet Loika and...

Live the cherry experience!
